17 September 1982

MEMORANDUM FOR: Deputy Director of Central Intelligence
FROM: Director of Central Intelligence
SUBJECT: General William Baumer

1. General Bill Baumer, who was one of the leading American deception planners in Europe during World War II and who participated in the "lessons learned" seminar of a couple months ago, stopped by the other day. He has a very lively mind and is eager to develop a small group to generate deception ideas.

2. I agreed to discuss this with him the next time he comes east, which will be the first or second week in October. [] was present during the conversation and you might want to talk to him in that context, as well as in the context of the attached proposal which [] sent along in his capacity as [] man on deception.
